"Choice Materials for Landscape and Conservatory"

The following is intended as a temporary check list for quick reference. A catalog offering more complete descriptions is in the process of compilation and will be mailed upon request when completed.

A discount of 20% will be allowed to the profession. Packing for shipment will be charged at 25% of listed price. Transportation charges collect.

Prices Subject to Change Without Notice.

\*\*\*\*\*

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
Acacia pendula glauca	\$1.00	to	\$17.50	H Weeping tree, grey foliage, drought resistant.
Acacia pycnantha	1.00	\$4.00		H Upright tree, golden flower.
Acanthus mollis	.85	to	7.50	H Robust bold foliage curious mauve flower.
Acanthus montanus	2.50	to	7.50	T Bizzarre, structural foliage subject.
Acer Praxii		4.50 to	15.00	H Evergreen maple, small stature.
Acokanthera venenata	2.00	to	17.50	T Strik. mahogany foliage
Aechmea fasciata	(4" & 5" only --\$5.00 to \$7.50)			T Exotic bromeliad, "everlasting" flower.
Aeonium canariense	1.50 to	7.50		T Succulent, 16" structural rosette.
Aeonium pseudo-tabulaeforme	2.00 & up			T Best of the genus-yellow flowers.
Agonis flexuosa	1.50	to	17.50	H "Willow Myrtle", tree.
Ailanthus altissima "Tree of Heaven"	1.50	4.00		H Large, fast growing deciduous
Allamanda cathartica	(4" only--\$3.50)			T Climbing shrub, large golden flowers.
Albizzia Julibrissin	1.00	to	7.50	H Large pink flowering "Mimosa".
Alocasia macrorrhiza	1.50	to	12.50	T Tropical evergreen "Elephant Ear".
Alocasia macrorrhiza variegata	SOLD OUT (2.50 to 5.00)			T Bright green and white form of above.
Alocasia odora	1.50	to	12.50	T Fragrant flowering form.
Alpinia sanderiana	2.50 to	5.00		T Green and white striped Ginger.
Alpinia speciosa (mutans)		4.50		Hh Evergreen "Shell" or "Porcelain" ginger.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh half-hardy; T-tender)
<i>Alpinia purpurata</i>	1.00	to	10.00	T Dwarf ginger, spicy foliage.
<i>Anthurium quadrangulare</i>	(4" & 5" only--\$2.00 to \$5.00)			T Foliage plant like "Bird Nest Fern"
<i>Aralia chinensis</i>	1.50	to	17.50	Hh Small evergreen tree, large elegant leaves.
<i>Aralia Sieboldi</i> (Fatsia japonica)	.75	to	17.50	H Bold palmate foliage, fast growing.
<i>Araucaria Bidwilli</i>		5.00		T Bunya-Bunya.
<i>Araucaria Cunninghamiana</i>		5.00		Hh Similar to above, less symmetrical.
<i>Aralia elegantissima</i>	1.50	to 7.50		T Black green curiously decorative juvenile foliage.
<i>Arbutus Menziesii</i> (Madrone)	1.00			H Evergreen tree, red decorative wood.
<i>Archontophoenix Cunninghamiana</i> (King Palm)	2.50	to	25.00	T Solitary plume palm of tropical aspect, orchid bloom.
<i>Arecastrum Romanzoffianum</i> (Cocos Plumosa)	5.00	to	25.00	H Stately feathery "Queen Palm".
<i>Asparagus falcatus</i>		4.00		Hh Vigorous climbing Asparagus fern.
<i>Asplenium bulbiferum</i>	1.50	to 7.50		Hh Graceful black stemmed "Mother Fern".
<i>Azara microphylla</i>	1.25	5.00		H Upright shrub open form, tiny leaves.
<u>BAMBOO:</u>				
✓ <i>Bambusa multiplex</i> Alphonse Karr		7.50		H Non-travelling, medium hgt, striped cane.
✓ <i>Bambusa multiplex</i> Fern leaf		5.00		H Non-travelling, medium hgt, green cane.
✓ <i>Bambusa multiplex</i> Silver Stripe		5.00		H Non-travelling, medium hgt, striped leaves.
✓ <i>Bambusa multiplex</i> Chinese Goddess		5.00		H Non-travelling, dwarf, delicate foliage.
✓ <i>Phyllostachys aurea</i>		5.00 to	17.50	H Travelling, medium hgt, golden bamboo.
✓ <i>Phyllostachys bambusoides</i>		7.50		H Travelling giant, golden green cane.
✓ <i>Phyllostachys bambusoides</i> Castilloni		7.50		H Travelling medium, gold and green cane.
✓ <i>Phyllostachys nigra</i>	2.50	to 5.00		H Travelling dwarf, black bamboo.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
X Phyllostachys viridi-glaucescens		7.50		H Travelling medium, yellow green foliage.
✓ Pseudo-sasa japonica (Metake)		4.50		H Travelling medium, Japanese hedge bamboo.
✓ Sinocalymus Beecheyanus			25.00	Hh Non-travelling giant huge arching canes.
✓ Sinocalymus Oldhami		5.00 to	17.50	Hh Non-travelling giant, bolt upright canes.
✓ Sasa humilis	1.00	4.00		H Travelling 24" dwarf bamboo.
✓ Sasa palmata	1.50	6.00		H Travelling 5' large bold foliage.
✓ Sasa pygmaea	1.00	4.00		H Travelling 12" pigmy bamboo.
✓ Sasa tessellata	1.50	6.00		H Travelling 36" high with 15" leaves.
Bamburanta Arnoldiana	1.50	4.50		T Foliage subject of odd structure.
Bamburanta Arnoldiana varieg.	1.50	4.50		T Green and yellow form of above.
Bamburanta Oppenheimiana	3.50	7.50		T Red, white and purple form.
Beaumontia grandiflora "Easter Lily Vine"	1.50	5.00	17.50	T Vigorous evergreen climber.
Bocconia arborescens	2.50	5.00		T Small tree, large pinnate leaves.
Bocconia frutescens	2.50	5.00		T Small tree, large scalloped leaves.
<u>BOUGAINVILLEAS:</u>				
Orange Glory	1.25	to	10.00	T Free flowering copper orange.
Rose Queen	3.00	6.50		T Salmon pink.
Golden Glow	1.25	to	10.00	T Pale yellow to salmon.
Texas Dawn	3.50	10.00		T Bright Tyrian rose.
San Diego Red	1.25	to	10.00	T Giant habit, very large red flower.
Lady Richards	2.00	5.00		T Old Rose
Barbara Karst	1.25	to	10.00	T Bushy, free blooming cerise red.
Braziliensis	1.25	to	10.00	Hh Rampant grower, brilliant purple.
Brachychiton acerifolium	1.00	to	17.50	T Large red flowering tree.
Brassaia actinophylla	1.50	to	7.50	T Exceedingly handsome digitate leaves.
Brunfelsia calycina floribunda "Yesterday & Today Flower"	1.00	to	12.50	Hh Fragrant violet flowers, fading to white.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
<i>Brunfelsia eximia</i>	1.00	4.50		Hh Floriferous lavender flowered shrub, more dwarf, than preceeding.
<i>Calliandra inaequilatera</i>	2.50	to	15.00	T Graceful shrub, rose pink flowers.
<i>Calliandra Tweedii</i>	1.25	4.50		H "Trinidad Flame Bush", medium shrub.
<i>Callistemon "Red Chico"</i>	1.25	4.50		Hh Novelty Red Flowering "Bottle Brush".
<i>Calothamnus quadrifidus</i>		4.50		Hh Grey needle foliage, dark red flowers.
<i>Candollea cuneiformis</i>	1.50	5.00		Hh Small evergreen shrub, bright yellow flowers.
<i>Canna iridiflora</i>	1.50	4.50		T Giant wild canna, cerise flower.
<i>Carica candamarcensis</i> (hardy papaya)	1.00	4.50		T Small tree, large ornate leaves.
<i>Carissa grandiflora</i> "Natal Plum"	.85	3.50		Hh Low-shrub, handsome foliage and fruit.
<i>Carissa compacta</i>	1.00	4.00		Hh Globular dense form of above.
<i>Carissa prostrata</i>	.85	3.50		Hh Spreading prostrate form.
<i>Carissa minima</i>	1.00	4.00		Hh Tiny leaf and flower form.
<i>Carissa carandas</i>	1.00	to	15.00	Hh Small leaves and fruit, pink flowers.
<i>Carpenteria californica</i>	1.50			Hh Shrub, single pure white blossoms.
<i>Caryota, mitis &amp; urens</i> (Fishtail Palms)	5.00			T Graceful palm, distinct foliage.
<i>Castanospermum australe</i>	1.50	5.00		Hh Evergreen tree, red and yellow flower.
<i>Cecropia palmata</i>	2.50	5.00		T Small slender tree, large ornate leaves.
<i>Cecropia peltata</i>	2.50	5.00		T Similar to above, foliage green rather than gray.
<i>Cedrella odora</i> "Toona"	1.50	4.50		Hh Tropical tree, beautiful pink and white spring foliage.
<i>Cercis canadensis</i>		4.50		H Small deciduous tree, pink flowers.
<i>Cercis chinensis</i>		4.50		H Slightly larger edition of above.

SOLD OUT

NAME	1 gal.	2 gal.	Spec.	REMARKS (H-hardy; Hn-half-hardy; T-tender)
<i>Bryonia cretica</i>	1.00	4.50		Hn Floriferous lavender flowered shrub, more dwarf, than preceding.
<i>Calliandra inaequalifera</i>	2.50	to	15.00	T Gracelul shrub, rose pink flowers.
<i>Calliandra Tweedii</i>	1.25	4.50		H "Trinidad Flame Bush" medium shrub.
<i>Callistemon "Red Chico"</i>	1.25	4.50		Hn Novelty Red flowering "Hottie Bush".
<i>Calochortus quadrifidus</i>		4.50		Hn Gray needle foliage, dark red flowers.
<i>Candelia conchensis</i>	1.50	5.00		Hn Small evergreen shrub, bright yellow flowers.
<i>Canna liliiflora</i>	1.50	4.50		T Giant wild canna, cerise flower.
<i>Cassia canadensis</i> (hardy papaya)	1.00	4.50		T Small tree, large ornate leaves.
<i>Cassia grandiflora</i> "Matal Plum"	.85	3.50		Hn Low-shrub, handsome foliage and fruit.
<i>Cassia compacta</i>	1.00	4.00		Hn Globular dense form of above.
<i>Cassia prostrata</i>	.85	3.50		Hn Spreading prostrate form.
<i>Cassia minima</i>	1.00	4.00		Hn Tiny leaf and flower form.
<i>Cassia canadensis</i>	1.00	to	15.00	Hn Small leaves and fruit, pink flowers.
<i>Carpenteria californica</i>	1.50			Hn Shrub, single pure white blossoms.
<i>Caryota, nipa &amp; urens</i> (Palm)	5.00			T Gracelul palm, distinct foliage.
<i>Ceanothus americanus</i>	1.50	5.00		Hn Evergreen tree, red and yellow flower.
<i>Geopelia palmata</i>	2.50	5.00		T Small slender tree, large ornate leaves.
<i>Geopelia palmata</i>	2.50	5.00		T Similar to above, foliage green rather than gray.
<i>Gedelia odora</i> "Tona"	1.50	4.50		Hn Tropical tree, bean-like pink and white scented foliage.
<i>Gercis canadensis</i>		4.50		H Small deciduous tree, pink flowers.
<i>Gercis chinensis</i>		4.50		H Slightly larger edition of above.

SOLD OUT

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
<i>Chamaedorea elegans</i>	2.50	to	17.50	T Miniature feather palm, pot or landscape.
<i>Chamaedorea tepejilote</i>			15.00	T Dwarf solitary palm, green cane.
<i>Chamaerops excelsa</i> (trachycarpus fortunei)	2.50	to	65.00	H Small "Fan Palm", hairy trunk.
<i>Chamaerops humilis</i>		4.50 to	60.00	H Dwarf "Fan Palm", multiple trunk.
<i>Chiranthodendron platanoides</i>	2.00	to 6 <sup>00</sup>	22.50	Hh "Devil's Hand Tree", fast growing tropical.
<i>Chrysalidocarpus lutescens</i>	(5" to 7" only	5.00 to 10.00)		T Dwarf yellow stem palm.
<i>Cibotium Schiedei</i>	(10" only--	12.50)		T Mexican tree fern.
<i>Cissus gongylodes</i>		4.50		T Deciduous ornamental grape.
<i>Clethra arborea</i>	1.00	4.50		Hh Evergreen "Lily of the Valley" shrub.
<i>Clorodendron Bungei</i>	1.00	4.00		T Lavender pink flowers "Kashmir Bouquet".
<i>Clivia miniata</i> & Belgian hybrids	(1 to 4 gal. only	--2.00 - 7.50)		T Evergreen strap leaved lilies, orange flowers.
<i>Cordyline australis</i>	1.00	2 <sup>50</sup> 4.00	17.50	Hh Arborescent sword-leaved subtropical.
<i>Cordyline australis</i> variety atropurpurea	2.50	to	17.50	Hh Brown or purple leaved form.
<i>Cordyline stricta</i>	2.00	5.00	12.50	T Graceful shrub, recurving strap leaves.
<i>Cordyline terminalis</i>	2.00	5.00		T Hawaiian "Ti" glossy tropical foliage.
<i>Correa magnifica</i>	1.25	4.50		Hh Compact small shrub.
<i>Corynocarpus laevigatus</i>	1.00	4.00		T Glossy leaved small tree for some shade.
<i>Crassula argentea</i>	1.50	to	7.50	T "Jade Tree" Succulent.
<i>Crinum species</i>		5.00		T Giant tropical lily.
<i>Cupania anacardioides</i>		5.00 to	25.00	Hh Small evergreen tree.
<i>Cyathea medularis</i>		7.50 to	12.50	Hh Giant black stemmed tree fern.
<i>Cycas revoluta</i>		10.00	75.00	H "Sago Palm"
<i>Cyphomandra betacea</i>		5.00		T "Tree Tomato", medium shrub.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
Dahlia Maxoni	1.00			Hh Giant Mexican Tree Dahlia.
Dais cotinifolia	1.50	5.00		Hh Small African tree, soft pink flowers.
Delostoma roseum	2.50			T Bignonia tree, pink flowers.
Dianella tasmanica	1.00	4.00		Hh Evergreen clumping lily.
Dicksonia antarctica	2.50	to	35.00	Hh New Zealand Tree Fern.
Distictis lactiflora	1.50	5.00		T Lavender flowered, scented Trumpet Vine.
Dombeya Wallichii	1.00	4.50		T Fast growing pink flowering tree.
Doryanthes Palmeri		5.00 to	17.50	Hh Giant Australian "Spear Lily".
Doxantha Unguis-cati	1.00	4.50		Hh Yellow flowered Trumpet Vine.
Echeveria pulverulenta	2.00	7.50		T Handsome pink & grey succulent.
Entelea arborescens	1.00	5.00		Hh Small evergreen tree, white flowers.
Erythrina Bidwilli	1.50	5.00		H Dwarf "Coral Tree", scarlet flowers.
Erythrina caffra	1.50	5.00		T Orange-flowered "Coral Tree".
Erythrina constantiana	1.50	5.00	17.50	T Orange flowered "Coral Tree", virtually evergreen.
Erythrina coralloides	1.50	5.00	17.50	Hh "Coral Shrub" scarlet flowers.
Erythrina speciosa	1.50	5.00	20.00	T Giant leaved "Coral Tree".
Erythrina No. 66	2.50	7.50		T New fall blooming "Coral".
Eucalyptus caesia	1.50	5.00	17.50	Hh Dwarf weeping Eucalyptus; pink flowers.
Eucalyptus erythrocorys	1.50	5.00		Hh Dwarf Eucalyptus, red bud, yellow flowers.
Eucalyptus leucoxydon rosea	1.00	4.00		Hh Large weeping Eucalyptus, white shining bark.
Eucalyptus maculata	1.00	to 15.00		Hh The magnificent spotted gum.
Eucalyptus Preissiana	1.50	5.00		Hh Dwarf Euc. chartreuse flowers.

NAME	1 gal	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
<i>Eucalyptus pulverulenta</i>	1.00	4.50	17.50	Hh Striking silver foliage type.
<i>Eucalyptus sepulcralis</i>	1.50	4.50		Hh Dwarf weeping Eucalyptus
<i>Eucalyptus torquata</i>	1.00	4.50		Hh Dwarf rose flw'd Euc.
<i>Eucalyptus viminalis</i>	1.00	4.00		Hh Tall weeping Euc.
<i>Eugenia cyanocarpa</i>		5.00		T Small tree, dark blue fruit, weeping habit.
<i>Eugenia Smithii</i>	1.00	4.50		Hh Small evergreen tree, lavender fruit.
<i>Eupatorium ianthinum</i>	1.00	to	7.50	T "Giant Ageratum".
<i>Fatshedera Lizei</i>	1.25	to	17.50	H "Climbing Aralia"
<i>Fatsia papyrifera</i>	1.25	to	17.50	Hh Giant leaved "Rice Paper Plant".
<i>Ficus Benjamina</i>	2.50	5.00		T Weeping "Chinese Banyan".
<i>Ficus elastica</i>		5.00 to	17.50	T "India Rubber Tree".
<i>Ficus macrophylla</i>		5.00 to	17.50	Hh Giant glossy Rubber Tree.
<i>Ficus mysorensis</i>		5.00 to	17.50	T Large round leaved banyan.
<i>Ficus Roxburghi</i>		7.50		T Large heart leaved Fig.
<i>Ficus rubiginosa</i>		5.00 to	17.50	Hh Rusty leaved Fig.
<i>Ficus religiosa</i>		7.50		T Aspen leaved Fig.
<i>Gardenia citriodora</i>	1.00	4.50		Hh Small flow'd ever-green shrub.
<i>Gardenia "Mystery"</i>	1.00	4.00		Hh Traditional florist gardenia.
<i>Gardenia Thunbergii</i>	2.00	5.00		T Large shrub, single flowers.
<i>Genista monosperma</i>		4.00		H "Bridal Veil" broom.
<i>Grevillea Banksi</i>	1.00	4.50		Hh Large patterned leaves, red flowers.
<i>Gunnera chilensis</i>	1.50	to 15.00	15.00	Hh Gigantic rhubarb-like herb.
<i>Harpephyllum caffrum</i>	1.75	to	17.50	T Symmetrical small tree.
<i>Harpullia arborea</i>	1.50	5.00		Hh Medium tree, showy fruit.
<i>Helleborus corsicus</i>	2.50			H Green flowered "Xmas Rose" shrub.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
Hibiscus--25 choice varieties, all colors	1.50	to 5.00		T Finest Hawaiian hybrids.
Hoya carnosa	(6" & 1 gal.--\$2.50 - \$6.00)			T Climbing "Wax Flower".
Hymenosporum flavum	1.00	4.50		Hh Upright tree, medium size; yellow flowers.
Ilex cornuta <sup>rotunda</sup> <del>nana</del>	1.50	4.50		H Extra dwarf form of Chinese Holly.
Ilex cornuta Burfordii	1.50	to	17.50	H Round leaved Holly.
Itea ilicifolia	1.00	4.00		H Medium shrub, holly-like leaves, some shade.
Jacaranda acutifolia	1.00	to	22.50	Hh Large tree, deciduous ferny foliage blue flowers.
Jacobinia carnea	1.50	4.50		T Medium shrub, rose pink flowers.
Jacobinia pauciflora	1.25			T Yellow & red flowers winter, some shade.
Jasminum ligustrifolium	1.25	4.50		Hh Compact white flowered shrub.
Jasminum magnificum	1.50	4.50		T Shrub or climber, fragrant.
Juniperus torulosa (Cupressus torulosa)		5.00 to	15.00	H Corkscrew cypress.
Kentia (Howea Forsteriana)	1.50	to	25.00	T Tropical palm, good pot subject.
Kleinia tomentosa	1.50	4.00		T Small succulent upholstered in silver.
Koelreuteria bipinnata "Chinese Varnish Tree"		4.00		H Deciduous medium tree pink pods.
Leucadendron argenteum "Silver Tree"	2.00	7.50		Hh Small upright tree with shining silver foliage.
Leucophyllum texanum	1.00	4.00		H Medium shrub, grey foliage, pink flowers.
Lotus mascaensis <sup>Burch</sup> <sup>Canary Islands. Kew</sup>	1.00			Hh Small spreading plant, grey leaf yellow flwrs.
Lucullia gratissima "Flower of Heaven"	1.50	5.00		T Medium shrub, exquisitely fragrant, pink flowers.
Magnolia grandiflora Southern Magnolia	1.00	to	25.00 (& Espal.)	H Evergreen large leaves, huge fragrant flowers.
Mahonia aquifolium "Oregon Grape"	1.00	to	10.00	H Small shrub, holly-like foliage, yellow flowers.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh half-hardy; T-tender)
Mahonia nervosa "dwarf Mahonia"	1.00	4.50	H	Small shrub, pinnate foliage, yellow flrs.
Mahonia lomarifolia		7.50	12.50	Hh Finest of the genus, long pinnate leaves.
Maytenus boaria "Mayten"		5.00	17.50	H Graceful small evergreen tree.
Melianthus major	1.00	to	17.50	Hh Large elaborately patterned grey leaves, sprawling habit.
Metrosideros tomentosa "New Zealand Xmas Tree"	1.00	to	17.50	T Dense evergreen tree, red flowers.
Michelia fuscata	1.50	5.00	H	Medium evergreen shrub, very fragrant small flowers.
Monstera deliciosa "Ceriman"	(6 gal., pots, tubs at 2.50 to 50.00)			T Huge cut leafed "Philodendron".
Musa ensete "Abyssinian Banana"	1.50	to	17.50	T Giant red ribbed banana.
Musa "Lady Hart" (Paradisiaca var. champa--a/k/a "Lady Finger")		5.00	T	Typical banana, edible fruit.
Musa rosacea (pink flrg.)		5.00	T	Dwarf type, lavender pink flowers.
Musa sapientum (Paradisiaca var.)		5.00 to	17.50	T Common ornamental type fruit inedible.
Musa velutina		6.00	T	Dwarf, rose red flowers, fruit inedible.
Musa zebrina (choc. striped)		<sup>7.50</sup> <del>10.00</del>	T	Dwarf, exotic green and brown foliage.
Nothopanax arboreum	1.50	5.00	H	Small tree, small fancy leaves.
Nothopanax laetum	1.50	5.00	H	Large shrub, bold digitate leaves.
Olmediella Betschleriana "Guatemala Holly"		5.00 to	15.00	T Small tree, glossy holly-like foliage
Orange "Seville"--seedling (rapid screen or standard)	1.50	5.00	H	Wild orange, typical foliage, sour fruit.
Opuntia (in variety) "Cactus"	1.50	to	16.50	Hh Excellent structural forms of cactus.
Pandorea ramosoliana	1.00	4.50	H	Deciduous trumpet vine, pink flowers.
Passiflora racemosa	2.00		T	Rose flowered passion vine.
Philodendron erubescens (4" to 10" pots - 2.50 to 25.00) (hastatum, dubium, Imbe, etc.)			T	Interior pot or tub spec. of bold tropical character

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
Philodendron Duisbergi	(4"-6" pots at 2.50 to 7.50)			T Interior pot or tub spec. of bold tropical character.
Philodendron Evansii (P. Selloum x P. speciosum)	(8"-4 gal. - 12.50 to 17.50)			T Giant hybrid, elephant-ear leaves.
Philodendron laciniatum	(4"-6" pots - 3.50 to 10.00)			T Scarce variety, oriental aspect.
Philodendron pinnatifidum	(6"-8" pots at 5.00 to 10.00)			T Large deeply cut lvs.
Philodendron Selloum	(4" to Spec. - 2.00 to 25.00)			Hh Giant type, hardiest of group.
Phoenix canariensis "Canary Island Palm"		4.50		H Massive date palm suitable tub subject when young.
Phoenix reclinata "Senegal Date Palm"		6.00 to	25.00	Hh Large, clumping species.
Phormium gray-green, wide leaf	1.00	4.00 to	12.50	H Selected variety, very broad leaves.
Phormium tenax "New Zealand Flax"	1.00	4.00		H Stiff sword-like leaves, dull green, forming large clump.
Phormium (variegated)		4.00 to	15.00	H Chartreuse striped form of above.
Phormium tenax atropurpureum		7.50		H Plum colored form, scarce.
Phormium tenax bronze		6.50		H Dwarf type, bronze.
Phytolacca dioica "Bella Sombra"	1.50	5.00		T Large deciduous tree, elephantine trunk.
Platycerium alcicorne "Stag Horn Fern"	3.50	to	25.00	T Strikingly handsome epiphyte.
Platycerium grande	5.00 to	12.50		T Uncommon species of above.
Plumeria rubra "Frangipani"	2.50			T Small deciduous tree fragrant flowers.
Pistachia chinensis "Pistachio"		5.00		H Deciduous tree, brilliant red fall foliage.
Podachaemium eminens	1.50	5.00		T Fast growing tree from Mexico with lge. tom. leaves & clusters of white daisies.
Poinciana Gilliesii		4.50		Hh "Bird of Paradise" shrub.
Rauwolfia samanensis	1.00	to	17.50	T Large upright tree, bold shining foliage.
Rhapis flabelliformis (excelsa) "Bamboo Palm"	5.00	to	100.00	Hh Dwarf fan palm, clumping character.
Rhapis humilis	5.00	to	100.00	Hh Similar, taller and more elegant.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
Rohdea japonica	3.50	to	10.00	H Compact pot or tub subject with heavy lily leaves.
Rhododendron	3.50	to	35.00	H Limited selection of named varieties & seedling hybrids.
Rhus ovata	1.25			H Native Calif. "Sugar Bush".
Rhus integrifolia	1.25			H Native California shrub.
Rochea coccinea	1.50			T Small compact succulent, ruby flowers.
Rondeletia amoena	1.00	4.50		T Rounded medium shrub, fragrant pink flowers.
Rondeletia cordata	1.00	4.50		T Similar to above, glabrous foliage.
Rosa gigantea "Giant Chinese Rose"		4.50		H Giant grower, evergreen, white flowers.
Sabal Blackburniana		5.00		Hh Blue green fan palm, slow.
Sarcococca ruscifolia	1.25	4.50		H Small evergreen shrub for shade.
Schefflera digitata	1.50	to	15.00	T Rangy shrub, bold digitate leaves, good structural value.
Schotia latifolia	S O L 5.00 to 15.00			Hh Slow growing evergreen shrub "oriental" quality.
Siphonosmanthus Delavayi	1.50	5.00		H Small shrub, small leaves, white flower.
Solanum macrantherum		5.00		T Attractive light climber, purple and yellow flowers.
Solanum montanum	1.25	4.50		T Medium shrub, curious silvery leaves.
Solanum robustum		4.00		T Coarse shrub, large hairy leaves.
Solanum Wendlandii		5.00		T Deciduous climber, large lavender flrs.
Solanum Warscewiczii	1.25	to	15.00	T Large shrub, highly ornamented lge. leaves.
Spathodea campanulata (showy trop. for frost-free zone)	2.50	7.50 to	15.00	T African Tulip Tree--magnificent orange red flowers, very tender.
Stenocarpus sinuatus "Wheel of Fire"	2.50	7.50	17.50	Hh Small evergreen tree, bizarre red "pinwheel" flowers

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
Stephanotis floribunda "Madagascar jasmine"	3.50	5.00		T Tropical vine, very fragrant white flrs.
Stigmaphyllon ciliatum "Orchid Vine"	2.00			T Light vine, dainty yellow flowers.
Strelitzia Nicolai "Giant Bird of Paradise"	2.50	to	75.00	T Striking tropical of good size.
Strelitzia reginae "Bird of Paradise"	2.00	7.50 to	25.00	T Orange & blue "Birds" on dense lily-like clump.
Sterolobium 'stans "Yellow Elder"	1.00	4.50		T Large deciduous shrub, many yellow trumpets
Tetraplasandra hawaiiensis	1.50	5.50		T Small evergreen tree, large pinnate leaves.
Thespesia populnea	1.50	7.50		T Small evergreen tree, yellow hibiscus-like flowers.
Thevetia thevetioides (4" to 4 gal. only--5.00 to 10.00) "Giant Thevetia"				T New & rare introduction with very lge. lemon yellow flowers.
Thunbergia cordata	1.50			T Small shrub, purple trumpet flowers.
Thunbergia Gregorii	1.00			T Light vine, brilliant orange flowers.
Tibouchina semidecandra "Princess Flower"	1.00	4.00		T Medium evergreen shrub spectacular royal purple flowers.
Tipuana tipu	1.50	4.50	17.50	H Large fast growing decid. tree, locust-like foliage, yellow flrs.
Trachelospermum (divaricatum & jasminoides)	1.00	4.50 to	12.50	H Yellow & white forms, respectively of "Star Jasmine".
Trevesia palmata	2.50 to	10.00		T Shrub, large elaborately patterned leaves like giant snowflakes.
Viburnum rhytidophyllum	1.50	4.50		H Evergreen shrub, large ribbed leaves.
Vitex lucens (for deep soil only)	1.00	5.00		T Evergreen tree, beautiful foliage, small pink flowers.
Vitis Voinieriana	2.50	to	25.00	T Giant "evergreen grape" imposing leaves.
Vitis Vomerensis	2.50	to	25.00	T Similar to above, new growth golden brown.
Washingtonia robusta "Sentinel Palm"		4.50 to	350.00	H Mexican Fan Palm
Wigandia caracasana	1.00	to	12.50	T Gigantic leaves, blue flrs., straggly habit.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
<i>Xanthosoma saggitaeifolia</i>	1.50	5.00		T Giant "elephant ear" of undeniable tropical effect.
<i>Xanthosoma violacea</i>	(4" at 2.50)	7.50		T Violet stemmed form.
<i>Xanthosoma metallica</i>	(4" at 2.50)	7.50		T Plum colored form.
<i>Yucca gigantea</i> ( <i>Y. elephantipes</i> )	1.50	to	17.50	T Bold, tropical tree form with broad glossy sword leaves.

A great many new introductions as well as re-introductions of nearly forgotten plants are presently under trial in our nursery and growing grounds. As these items become ready for sale, supplementary lists will be made available.

We also offer a complete line of general nursery stock for the Southern California area in one gallon, five gallon and often specimen sizes.

#### ADDENDUM

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hh-half-hardy; T-tender)
<i>Coffea arabica</i>	3.50	7.50		T Handsome evergreen shrub, fragrant novelty coffee.
<i>Cordyline Banksii</i>	2.00	6.00	17.50	Hh Bold broad speared tropical.
<i>Hoya australis</i>	4" pot @	2.50		T White flowered wax vine.
<i>Phormium Collensoi</i>	1.25	5.00		H New Zealand flax, graceful mountain form.
<i>Pseudopanax ferox</i>		5.00		Hh Small evergreen tree interesting foliage.
<i>Pseudopanax Lesseni</i>		5.00		Hh Glossy leaved form of above.
<i>Senecio petasitis</i>		4.50		Hh Lush foliage subject, yellow flowers.
<i>Talauma Hodgsonii</i>	5.00			Hh Very rare & striking handsome evergreen magnolia from India.
<i>Thysanolaena maxima</i>	1.50	4.50		Hh "Tiger grass", leaves 4" x 20" lush green.
<i>Trevesia Micholitzii</i>	3.00	7.50		Hh Small exotic tree, huge fantastic leaves rare.
<i>Trichosporum Boschianum</i>	4" 3.50	6" 5.00		T Scarlet flowered basket plant for conservatory.

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hb-half-hardy; T-tender)
Xanthosoma sagittifolia	1.50	5.00		T Giant "elephant ear" of undoubted tropic- cal effect.
Xanthosoma violaceum	(4" at 2.50)	7.50		T Violet stemmed form.
Xanthosoma metallica	(4" at 2.50)	7.50		T Pink colored form.
Xanthosoma giganteum (Y. elephantipes)	1.50	17.50		T Bold, tropical tree form with green - glossy sword leaves.

A great many new introductions as well as re-introductions of nearly forgotten plants are presently under trial in our nursery and growing grounds. As these items become ready for sale, supplementary lists will be made available.

We also offer a complete line of general nursery stock for the Southern California area in one section, live galien and often specimen sizes.

ADDITIONAL

NAME	1 gal.	5 gal.	Spec.	REMARKS (H-hardy; Hb-half-hardy; T-tender)
Coffea arabica	3.50	7.50		T Handsome evergreen shrub, fragrant, novelty coffee.
Cordyline Baccata	2.00	6.00	17.50	Hb Bold broad spaced tropical.
Ficus australis	4" pot 2	2.50		T White flowered wax vine.
Phormium Colensoi	1.25	3.00		H New Zealand flax, graceful mountain form.
Pseudea racemosa	2.00			H Small evergreen tree, interesting foliage.
Pseudea laevis	2.00			Hb Glossy leaved form of above.
Sesuvium portulacastrum	4.50			Hb Bushy trailing plant, leaf, yellow flowers.
Yucca filamentosa	2.00			Hb Very rare & striking handsome evergreen, native from India.
Yucca filifera	1.50	4.50		Hb "Tiger grass" leaves 4" x 30" lush green.
